SITUATIONAL DESCRIPTIONS CHART

	Column 1	Column 2	Column 3	Column 4
Row 1	Time and tide wait for no man Talk is cheap The squeaky wheel gets the grease Never say never Ignorance is bliss First things first	Beggars can't be choosers Blessing in disguise Every man for himself Faith can move mountains Take it or leave it Lie down with dogs, wake up with fleas	Knowledge is power First come, first served History repeats itself Be careful what you wish for Better the devil you know Absence makes the heart grow fonder	The early bird catches the worm Misery loves company Patience is a virtue He who laughs last laughs best Fools rush in All work and no play makes Jack a dull boy
Row 2	The end justifies the means There's a season for everything You reap what you sow Practice makes perfect Too many irons in the fire Think before you speak	Divide and conquer All's fair in love and war Every man has his price Don't judge a book by its cover Appearances are deceptive All things come to those who wait	No pain, no gain Put your best foot forward Better safe than sorry Can't take it with you Make hay while the sun shines A fool and his money are soon parted	Strike while the iron is hot A bad penny always turns up Winning is everything Nothing ventured, nothing gained If something can go wrong, it will Desperate times call for desperate measures
Row 3	Better late than never No such thing as a free lunch Rules are meant to be broken Hindsight is 20/20 Let sleeping dogs lie A Jack of all trades is master of none The road to hell is paved with good intentions	Love is blind Can't win 'em all Beauty is only skin deep Go with the flow Don't put all your eggs in one basket Look before you leap Marry in haste, repent at leisure Live by the sword, die by it	Rome wasn't built in a day What doesn't kill you makes you stronger He who hesitates is lost No man is an island Time flies It's better to give than to receive In vino veritas Barking up the wrong tree	Once bitten, twice shy Up the creek without a paddle Kill two birds with one stone Damned if you do, damned if you don't A chain is no stronger than its weakest link Hell has no fury like a woman scorned 'Emperor's new clothes' Curiosity killed the cat
Row 4	As you make your bed, so you must lie in it A watched kettle never boils If you can't beat 'em, join 'em Can't have it both ways Take the bad with the good Money makes the world go round Fight fire with fire	What goes around comes around The best is yet to come Still waters run deep If it ain't broke, don't fix it Every cloud has a silver lining Actions speak louder than words No good deed goes unpunished Two wrongs don't make a right	He who fails to prepare, prepares to fail A man is known by the company he keeps Laughter is the best medicine A bird in the hand is worth two in the bush Half a loaf is better than none Waiting for the other shoe to drop	Keep your friends close and your enemies closer Do unto others as you would have them do unto you Throwing out the baby with the bathwater All sizzle and no steak Don't mix business with pleasure Not on chart
